Canadian Tire Corporation
Toronto, ON

Re: **Data Science Associate New Graduate Rotational Program (Spring/Fall 2023 Start)**

Dear Hiring Committee,

As an upcoming graduate with a high level of passion and innovation, I am looking for challenging opportunities that will elevate my skills and provide your team with dedication and specific technical expertise. Canadian Tire's commitment to innovation and making important investments in their business, especially when it comes to their people highly aligns with my career goals and values. Please accept this as my application for the Data Science Associate currently available. I am a strong cross-cultural communicator with established experience who possesses the knowledge and abilities to effectively contribute to organization goals.

As an upcoming graduate of the Analytics for Business Decision Making program at Mohawk College, I am Well versed in Big Data - Predictive Analytics, Programming, Algorithm Development, and Automation Data Visualization. I offer excellent verbal & written communication with ability to collaborate effectively in a team environment. I also possess technical knowledge and on hand experience with SQL, Python, and Azure Cloud Tools.

I feel certain my strong initiative and commitment to excellence, coupled with relevant experience and exceptional technical capabilities will be of immediate value to the Canadian Tire Corporation. Should you agree after reviewing my attached resume, I would welcome a personal meeting to further discuss your needs and my ability to meet them.

Thank you for your time and consideration. I look forward to your response, and hope to learn more about your organization's plans and goals, and how I can contribute to its success.

Sincerely,

David Blanco
